PETITION FOR CORRECTION OF INVENTORSHIP

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicants hereby petition the Commissioner pursuant to 37 CFR 1.48(a) to correct the inventorship in the above-referenced patent application. Through error, inventor Steven A. Munk was not named as a joint inventor when this continuation patent application was filed, although Inventor Munk was properly named in all prior applications on which this application depends for priority. This error was made by the undersigned without deceptive intent in the haste to file the present application; such haste was exacerbated by the fact the undersigned was simultaneously working without an experienced assistant at the time, a lack that has thankfully since been cured.

Accordingly, Applicants petition the Commissioner to amend the application to set forth the actual inventors. Accompanying this petition is 1) a Statement of Stephen A. Munk in support of the correction of inventorship, 2) a Declaration by the actual inventors as required by 37 CFR §1.63, and 3) the written consent of the assignee, Allergan Sales, Inc., for such correction of inventorship.

Kindly use Deposit Account 01-0885 for the payment of the petition fee and any other cost that may be due as a result of this communication.

Respectfully submitted,

Dated: ^G10/24/01
